It's true Black History is not a bestselling topic. It's true many bookstores across the country have replaced Black History sections with faster moving titles -- romances and westerns. But you can still find titles in Black History and Culture at the TBA and this month you have the added bonus of the "Black History Month Credit/Rebate."

You may write me down in history
With your bitter, twisted lies.
You may trod me in the dirt,
But still, like dust, I'll rise.

Our student, Brian Hartley, is with the American Church this year and has had a magnificent experience. One intern poisiton calls for some general administration and interest in preaching and in the development of a pastoral ministry. The Church would particularly appreciate an older or experienced person for this position but will consider anyone who feels he or she has the qualifications. The second intern should have some youth and Christian Education experience and be interested in developing relationships with teens and young adults. Each intern would be expected to preach twice a month either in London or at the branch of the American Church in Surrey. Interested persons should come to the Field Education Office to receive additional information immediately.

> If anyone is devout and loves God, come to this radiant triumphant feast.
> If anyone is a wise follower, enter into the joy of the Lord, rejoicing.
> If any have fasted long, now receive refreshment.
> If any have labored from the first hour, today receive your just reward.
> If any came at the third hour, keep the feast with thankfulness.
> If any arrived at the sixth hour, have no misgivings for you shall not be deprived.
> If any delayed to the ninth hour, draw near, fearing nothing.
> If any have waited even until the eleventh hour, do not be alarmed at this tardiness.

These should be current Middler students who would be able to begin in August 1982 and serve for approximately twelve months. Job descriptions are on file in the Field Education Office. Students who have indicated an interest in this internship should have submitted a biographical sketch of no more than two typewritten pages and should have completed a regular internship application. Any student who has indicated an interest, but has not submitted the materials necessary is urged to do so at once. Initial screening of candidates will begin next week.

SEMINARY ASSISTANTS AT GENERAL ASSEMBLY:

We are still in need of several student Assistants at the United Presbyterian Church General Assembly which will meet in Hartford, Connecticut. Assistants must report by 12:00 p.m., on Wednesday, June 30th. This is a unique opportunity to see how the General Assembly operates behind the scene. The Seminary Assistants spend fifty percent of their time watching over and attending the needs of a group of Commissioners and the other fifty percent is spent collating reports, distributing materials and performing other duties as assigned. The General Assembly will pay all travel and living expenses for this. If anyone is also a capable typist, a modest honorarium may be added. Any United Presbyterian students who are interested should indicate their interest immediately at the Office of the Dean of the Seminary, 101 Hodge Hall.

SPECIAL NOTE ON PASCHAL VIGIL:

The following are further notes on the Paschal Vigil Breakfast: After the recital of our faith-story in the events of the Paschal Vigil, a breakfast (brak-fast of Lent) will be held in the Campus Center dining hall. We hope that many will be able to bring homemade bread to the service. Of the bread and wine you bring to the Chapel before the service a part will be set aside for the Eucharist and the rest will be taken to the Campus Center for the Breakfast.

The breakfast will be pot-luck and it is to remind one of our return to the Promised Land. It is a joyous celebration of Christ's death and resurrection. Please bring food of $1.50 to $2.00 in value to the Campus Center before going to the Chapel for the service. There will be people there to receive this food from 6:30 - 7:15 p.m.

Our Lenten theme this year is "Our Journey Together in Faith." Following the recital of our faith-story during the events of the Paschal Vigil, come and join together in celebrating our oneness in this life of journey!

As you bring your food keep in mind our menu:

Honey	Potao Salad	Meats:	Cheeses
Bread	Egg Salad	Cold cuts	Fruit Breads
Wine	Deviled Eggs	Ham	Nut Breads

RINCETON:

An outstanding Princeton physician will be establishing and supervising a stroke rehabilitation project this summer in Princeton. He has invited the participation of Seminary students and/or spouses in the project which is to serve both the victims of strokes and their families. The project will provide insight into this particular model of chronic illness. Actual work with stroke victims and their families will be combined with a weekly clinical conference with the physician for discussion of the various cases. It is projected that the program will cover approximately twelve weeks and both the number of hours involved and the time of day will be flexible. Compensation is available, and this will be arranged through the Supervisor of the project. If the student participates for a requisite number of hours, Field Education credit will be given for this experience. All work will take place within an approximate ten-mile radius of Princeton.

Those who are interested are urged to write to Dr. Benjamin Wright, Princeton Medical Group, 253 Witherspoon Street, Princeton, New Jersey 08540. Please give Dr. Wright in brief form some indication of your Field Education or other experience which you think may be relevant to this particular form of ministry. Those who write should also inform the Field Education Office to register their interest and Dean Massa will be happy to fill in further details. A quick response is necessary as this project must be firmed up during the month of May.

FESTIVAL OF SPOKEN ARTS - 1982:

A Readers Theatre performance of Stephen Vincent Benet's epic poem John Brown's Body will be presented Wednesday, April 28, Friday, April 30, and Saturday, May 1. (Note calendar times.)

The production, directed by Dr. Robert Jacks, will include Sally Bolitho, Paul Fulks, Jr., Melanie Hammond, Suzan Hawkinson, John McCall, Tom Rousseau, Steve Shuster, and Elsa Swift, all first-year M.Div. students.

John Brown's Body blends poetry, prose, and music to present a story of conflict and celebration in the midst of Civil War strife. Against this background are centered the lives of two heroes -- Jack Ellyat of the North, and Clay Wingate of the South -- both of whom must deal with the inevitable yet bewildering changes precipitated by one of the most tragic moments in American history. The music of Fenno Heath enhances Benet's vast tragic vision of the peculiar mood and flavor of life in Civil War times.
